

Aim: Sensuality in German Film
Favourite Director: Pedro Almodóvar

„If it can be written, or thought, it can be filmed.“ – Stanley Kubrick

As a contemporary storyteller, I'm inspired by films that embrace and celebrate society's multi-layered world views. Film provokes the imagination and therefore partakes in changing the world. The artistic visions and technical innovations have made a lasting impression on me. Today I'm grateful for the privilege to work on projects that I thrive for.

Logline: Achille wants to find a partner by himself. In a society where matching is omnipresent it seems impossible to convince a woman on its own.

Documentary „Chris April“ (WT)

DIRECTOR Kai Schuhmann DIRECTOR OF PHOTOGRAPHY Paul Becht

Logline: Chris April was the first black actor to stay on the stage of the Nico Malan Theater during the apartheid in Cape Town.

The feature documentary is on tracks of an important figure that has gone through the apartheid. Questions like: What is left of the moralities of these times? Is remission the redeemer or leads to new oppression? The project was initiated in 2015 and will bring the team repeatedly back to South Africa an search of the variations of truths.
